Great but they still are functionally a limited broker you can't do a multi bracket trade

than a logical one.. you literally just outlined how Robinhood is a better product, it has monetized not only investing but also the gambling market, and you see this as a negative? You're not the one gambling here, right? We are making decisions

HOOD is amazing. Great platform, easy to navigate , alot of bells & whistles too take advantage of. The company is liquid & strong. Its a great deep discount
